

Romance Writers of America
RWA Pro Special Recognition Application

The RWA Pro Special Recognition Program is a completely voluntary program intending to recognize that first major accomplishment of a member's romance career: a completed romance manuscript and submission to a publisher or agent. This program is available to any general or associate member who is unpublished, and can prove they have a completed romance manuscript not less than 40,000 words for adults or 25,000 words for young adults, and has submitted this work (or a query regarding this completed work) to a literary agent or publisher in which the author does not participate financially in the production or distribution of the work. Documentation consists of a disk or paper copy of the completed romantic work and either (1) correspondence from any publisher or literary agent, stating receipt or review of work, or (2) copy of a contract signature page indicating sale of the manuscript. A proof of mailing (US postal service) and a postcard from the publisher indicating receipt of material are both acceptable forms of correspondence.
